

# ProKnow visionary digital teaching tool

"The only tool on the market that could do what we wanted."

John Ryan, RT CMD, RMIT University in Melbourne

## The challenge

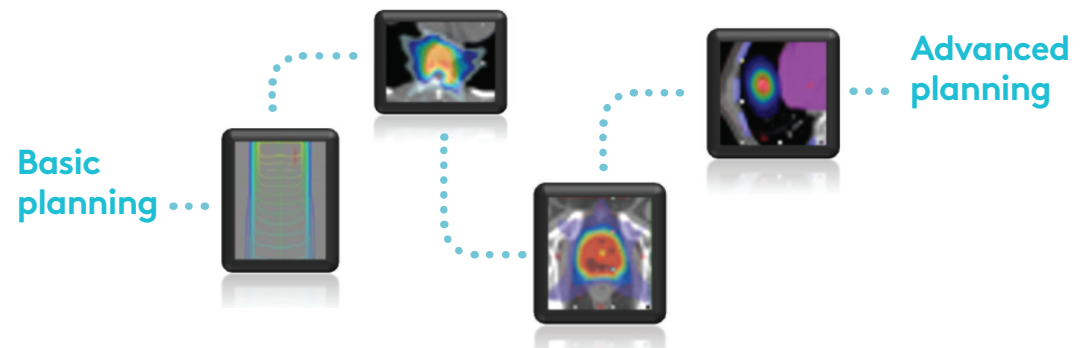

Educating in an ever changing environment means we need to **deliver training to meet current practice expectations** and **with timely feedback.**

"Proknow significantly increased my confidence prior to placement."

— Anonymous, ProKnow student survey

Structured path to anatomy contouring and plan evaluation with multiple opportunities to **develop capabilities.**

**Score: 92.23 Dice: 0.903**

Auto feedback on work against peers and gold standard available 24/7
